ACKNOWLEDGMENTS

This product includes software developed by the following organizations:

Apache Software Foundation (<http://www.apache.org/>)

OpenSymphony Group (<http://www.opensymphony.com/>)

Indiana University Extreme! Lab (<http://www.extreme.indiana.edu/>)

The license agreements for these and other supplemental software packages can be found in your installation media in subfolder **Supplemental_Software_Licenses**.

That subfolder also contains *Open Source Components.pdf*, which lists the locations, license types, and specific versions of components that are available on the web.

The following document outlines the changes to localization keys and values present in the TeamConnect 5.0 platform. These changes are organized by **Changed Values**, **Changed Keys**, and **New Key-Value Pairs** added in 5.0. Furthermore, these can be viewed relative to 4.1 and 4.2 TeamConnect Enterprise users. It is important to note that some of these changes are included in the sections for 4.1 and 4.2.

Click the sections below to navigate to the respective sections.
